

1. Type: IST-36/630
2. Rated Voltage: 36kV
3. Rated normal current: 630A
4. Rated 1 sec. withstand current: 16kA
5. Rated peak withstand current: 40kA
6. Rated Power frequency withstand voltage:
 - a. Across open contacts: 80kV
 - b. To earth and between poles: 70kV
7. Rated impulse withstand voltage:
 - a. Across open contacts: 195kV
 - b. To earth and between poles: 170kV
